KENTUCKY Arts COUNCIL

WOODLAND ART FAIR

Saturday August 20th from 10am-6pm
Sunday August 21st from 10am-5pm

WELCOME! Lexington Art League envisions a world where art, artists and art-making are central to human inspiration, self-realization and meaning. We are so glad that you are able to partner with us at the Woodland Art Fair and hope you enjoy the experience. Here are guidelines to help make the event a success.

Policies & Procedures:

- You must be open during the entire show. Failure to remain open during the hours of the Fair will remove you from future jury processes.
- Absolutely no booth changes - NO EXCEPTIONS. Booth spaces are non-negotiable.
- Each artist is responsible for collecting, reporting and paying Kentucky State Sales Tax (6%) on all sales. Applicable forms will be given to you in your Check-In Packet.
- Artists may begin setting up at 12pm on Friday, August 19th .
- Commercial molds, kits, or assembled manufactured items are strictly prohibited.
- Images submitted for the jury process must accurately represent what you intend to display at the show.
- Jewelry may only be displayed by artists accepted in the JEWELRY category.
- We require that you, as the exhibitor, have direct day-to-day, hands-on involvement in the design and execution of the work you display. All works must be of your own creation and your creation alone.
- Artists must personally attend their exhibit for the entire duration of the Fair. No agents, dealers or sales people may represent the artist. This includes spouses and relatives. LAL will request photo I.D. at Check-In.
- High quality 2-D reproductions must not comprise more than 25% of exhibited work, or occupy more than 25% of booth space. All reproductions must be clearly labeled as “reproductions”; no other terms, such as “print” or “lithograph” may be used. Labels must say “reproduction.” Reproductions must be properly signed and numbered and may not be framed and hung along with original work. All reproductions must be kept in browsing bin. Only original work may be hung on display walls. This will be enforced.
- LAL reserves the right to inspect booths on site to ensure adherence to rules & standards. Artists found not to be in compliance will be asked to remove the unacceptable items or, in extreme cases, risk forfeiture of all rights as an exhibitor, including the closing of the booth, with no refund of fees. Artists displaying unprofessional behavior may also be removed from the show and refused acceptance into future shows.

Check- in:

Artists may begin checking in and setting up on Friday, August 19th at 12pm. Please check-in at the Artist Check-in located in your designated area (see map for details). Meet with a LAL Staff member or volunteer and they will give you your artist packet. Please bring a photo ID. No representatives are allowed - the artist must be present the entire time of the show. We reserve the right to ask for your photo ID at check-in. Our volunteers may not know you, so your cooperation in providing your ID is appreciated.

Late Check-In/ No Shows:

If you do not show up, the courtesy of a phone call is required to remain on our application list. No booth refunds will be made. Note: LAL staff will be at the park, so do not leave a message on our answering system. Contact Mark Mozingo at (859) 420-2774.

Exhibitor Assistants:

It is helpful to have someone to assist you by guarding your equipment and artwork while you unload and set up. Ask for a volunteer when you sign in at the Artist Check- In.

Booth Space:
Please set up your booth within the 10'x10' space that is marked with your number. We have marked the front lines of your booth - do not extend past these lines - we gave these measurements to ensure traffic flow and visual fairness for every artist's booth. We do ask that you set your booth up straight and close to the front line to maintain a good visual line and give you more room in the back.

Exhibition Overview:
Artists are only allowed to exhibit work that was juried into the festival. For example, jewelry may only be displayed by the artists accepted into the jewelry category. If you have any questions about your category, please call LAL offices before the fair. The images you submitted must accurately represent what you intend to display at the fair. No work from commercial molds, kits or manufactured items and no imported work are permitted. We ask that you, the artists, have direct day-to-day hands-on involvement in the design, creation, and execution of the work you display.

Booth Signs:
Please hang your booth sign on the front, right-hand side of your booth. This identifies you to patrons and to the judges. On the patrons' maps, your booth is identified by this number. All booth signs can be found enclosed with your Check-In Packet, which you will pick up upon arrival at the Fair at Artist Check- In.

Booth Inspections:
LAL reserves the right to inspect booths on-site to ensure adherence to the rules and standards. Artists found not to be in compliance with these rules will be asked to remove the unacceptable items, or in extreme cases risk forfeiture of all rights as an exhibitor; including the closing of the booth with no refund of fees. Artists displaying unprofessional behavior may be removed from the show and refused acceptance into future shows. This especially applies to the Load-Out process, detailed below.

Security:
Off-duty police patrol the park both Friday night and Saturday night. However LAL or Parks and Recreation of Lexington are not responsible for lost or stolen inventory or damages to booths.

Booth Sitters:
Please call Trisha Brockmeyer (859) 248-1038 to request a booth sitter, or visit the LAL booth for your request.

Judging:
Judging will begin promptly at 10am on Saturday. At check-in you will receive a booth sign: put this on the front right side of your booth. Jurors will have volunteers with them to keep them on schedule. Please keep juror conversations to a maximum of two minutes. We appreciate your cooperation.

Awards:
An awards breakfast reception for the artists will be held at 9am on Sunday at the gazebo. Food and beverages will be provided. Major and Merit award winners will be announced. A list of Merit and Major Award winners will be available at the LAL booth located near the Gazebo. All Major and Merit Award winners will be automatically accepted into the 2017 Fair. 2017 application fees will be waived for 2016 Award Winners.

Surveys and Fast Audits:
PLEASE fill out and return the survey, enclosed within your Check-In Packet to the LAL Booth before you leave on Sunday. We can only improve the Fair if we know what is working and what isn't. The Sunshine Artists Fast Audit is also enclosed in your Check-In packet. We truly appreciate you taking the time to let Sunshine Artist know about your time with us and hope that you enjoyed your stay.

LAL Membership Application:
Upon checking in at the Fair, you will receive an LAL Membership Application. The majority of LAL's support comes from annual contributions. Basic memberships combined with generous, tax-deductable gifts from others go to work immediately to support art, artists and art-making in the Lexington region and beyond. Artists who are members of LAL receive a discounted booth fee for future fairs and other benefits. Please be part of art for everyone.

Breakfast:
Please note that some breakfast items will be provided Saturday morning. LAL staff and volunteers will bring around water to your booth. Coffee will be provided by Tincan Coffee Roasters on both days. Breakfast will also be provided on Sunday during the Awards Ceremony at the gazebo at 9:00am. On Saturday you will receive 1 free lunch coupon from the Good Foods Co-op booth as well as a 50% off coupon from the Weekly Juicery's booth that you may use at any point during the weekend.

Load-In & Load-Out

Artists may begin setting up for the Fair at
12pm on Friday, August 19th.

UNLOADING INVENTORY
See the map on the website, to find your booth. Locate the nearest entrance to your booth. This will be where you need to enter and drive to your booth to unload.

Booths 1-25, 158-226 please check in on Friday at the Bandstand (in the Gazebo down the hill from the pool).
Booths 26-157, 227-232 please check in at the KidZone Pavilion (next to the playground) on Friday.

Check in begins on Friday August 19th at 12pm - NO EARLIER THAN THIS. You are allowed to come and set up after that, there will be security guards on site starting at 7pm. If you are coming in after 6pm you will be able to find your packet at your Check-in location listed above. We have volunteers available from 12pm-6pm. Your booth must be ready and set up by Saturday morning at 9am. ***All vehicles must be off of the main part of the fair and parked in the parking area by 8:30am***. Call Mark Mozingo, Events and Community Engagement Director, if you have any questions regarding where to enter and where to unload your inventory at (859) 420-2774.

PARKING VEHICLES
If setting up early Saturday morning, ***vehicles must be removed from the fairgrounds by 8:30am***. Booths must be set up and open by 10am on Saturday, August 20th.

EXHIBITOR ASSISTANTS

It is helpful to have someone to assist you by guarding your equipment and artwork while you unload and set up. Please ask for a volunteer when you sign in at your Artist Check-In location.

Load-In (Dry Weather):
Artists have two options from which to choose for Load-In. The best option is the one closest to your designated booth space.

A. (Booths 1-25, 158-226) Drive your vehicle/trailer up along the sidewalk off of Kentucky Avenue by the Gazebo/Band stand. There is a small entry off of Kentucky by the Band stand that can be used if you need to drive up to your booth. This entrance is best used by people whose booths are close to Kentucky Avenue or the Food Court. Please unload your car (30 minute limit), then park it in the softball field. Then, return to set up.

B. (Booths 26-157, 227-232) There is a driveway that runs off of Clay Avenue next to the softball field. Vehicles may pull into the driveway and drive up to your designated booth spot. This is the best entrance for booths closest to the softball field and KidZone. Please unload your vehicle (30 minute limit), park it in the softball field and then come back to set up.

Load-In (Wet Weather):
If it rains, cars will not be allowed to drive on the grass of the park. Below are the two best options to use if we have wet weather. In all options, you will need to dolly your work to your booth. Please bring your own dolly, as we cannot provide one for you.

A. There is a driveway that runs off of Clay Avenue next to the softball field. Vehicles may pull into the driveway and drive up until you hit the grassy area.

Vehicles will have to be unloaded on the driveway and artwork and equipment will have to be carried by dolly to your booth. After unloading your vehicle, you will need to find street parking.

B. **Vehicles may park along Clay Avenue, which runs along the back side of the park**. Artists may unload and dolly their work into the park. Artists may park their vehicles along Clay Avenue during the fair if using this option.

Load-Out:

Similar weather-applicable procedures will apply for the Load-Out process. However, in addition to the above stipulations, an additional policy will be enforced.

Artists may begin breaking down their booths at 5pm on Sunday, August 21st. Load-Out officers will patrol the fairgrounds and grant tickets to artists who have completely broken down their booths and prepared their inventory for loading into their vehicles.

Artists may not retrieve their vehicles until 6pm and they must have received a ticket from a Load-Out officer. Regardless of an artist's desire to retrieve their vehicle for loading up their inventory, artists must first break-down their booths, receive a ticket and wait until 6pm to bring their vehicles onto fairgrounds. This is to ensure the safety of all patrons, staff members, volunteers and artists alike.

At 6pm or later, once an artist has been given a ticket by a Load-Out officer, he or she can retrieve his or her vehicle and/or trailer. At each entrance to the Fair, a Load- Out Patrol Officer will be posted. These Officers will collect the tickets from the artists. Through the collection of these tickets, artists will gain re-entry onto fairgrounds with their vehicles to finishing loading up all supplies, equipment and inventory for departure from the show.

Failure to comply with these procedures will result in the inability of the non- compliant artist to participate in future shows.

SEVERE WEATHER EMERGENCY EVACUATION PLAN

In case of severe weather (excessive lightening striking within a 5-mile radius of fair grounds or a tornado warning issued for Fayette County), or any another announced emergency, all artists and patrons are asked to proceed to one of two designated locations.

Be sure to take a moment to familiarize yourself with these locations now, so that you will know where to go in case of emergency.

The first site is the Park United Methodist church, located at the Clay Avenue and High Street intersection. To enter this shelter, you must go to the parking lot behind the church on Clay Avenue, where you will see 2 doors: one at ground level, and one with a small descending staircase before it. Through the ground-level door, there are several large hallways without windows, which offer sufficient protection in case of emergency. The other door with the staircase leads directly to the basement.

The second location is the pool complex on fair grounds, made of concrete and steel. This will be available as a safety shelter from 3 PM until 7 PM on Friday, and from 11 AM until 7 PM, both Saturday and Sunday. It is located behind booth numbers 1 -34 as part of the swimming pool grounds. Please enter from the side facing Park Avenue (away from fair grounds). You may find shelter in either the restrooms (to your right) or the employee locker rooms (to your left).

Please rapidly proceed to either of these locations in case of severe weather or any other announced emergency.

OTHER EMERGENCY EVACUATION PLAN – NON WEATHER

In case of any other emergency that is non-weather-related, please duck and cover, and call 911 to report the incident and request professional police assistance.

Examples of non-weather-related emergencies include bomb threats and individuals harming or attempting to harm citizens, artists, vendors or fair staff.
